SSI SCHAEFER

OPTIONS

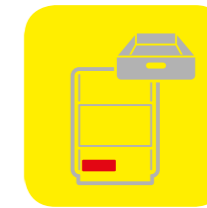

All vertical lift module options are available individually. This allows you to precisely assemble the type of LOGIMAT you want and configure it to your needs with great flexibility.

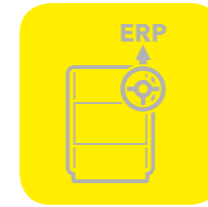

LOGIBAR
Continuous confirmation light barrier under the operating opening for optimizing the picking performance

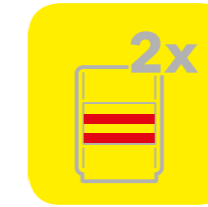

LOGICIRCLE
Warranty extension by additional 12 - 48 months

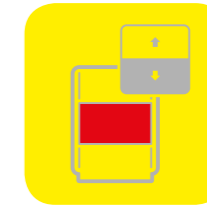

LOGIDRAWER
Additional drawer under the operating opening starting at a tray width of 2,400 mm

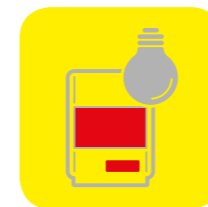

LOGIDRIVER
Standardized PLC interface for connecting to customer warehouse management systems

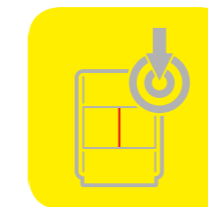

LOGIDUAL
Alternating provision of trays on 2 operating levels per access opening

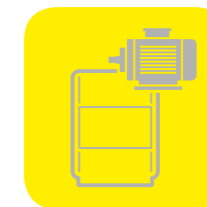

LOGIGATE
Protects the stored goods against unauthorized access and soiling

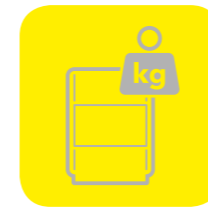

LOGILIGHT
Service lighting in elevator channel and control cabinet

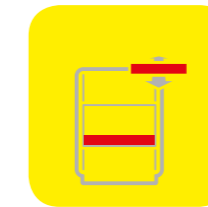

LOGIPOINTER
Optical indication of the storage position through a laser pointer

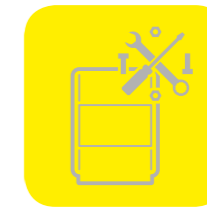

LOGIPOWER
Drive with increased travel speed to reduce access times during picking

LOGIHEAVY
Drive for high tray loads

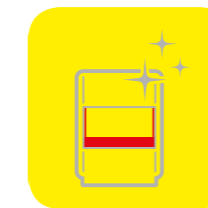

LOGIPULL
Manual, smooth tray extension

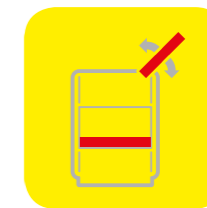

LOGISPART
Spare parts packages adapted to requirements

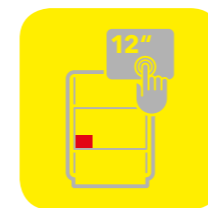

LOGISPEED
Adjustable travel speed for each tray for gentle transport of the stored goods

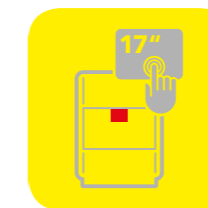

LOGISTAINLESS
Stainless, corrosion-resistant paneling of the access opening in chrome steel

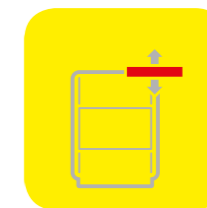

LOGITILT
Tilting mechanism of the tray for ergonomic operation

12\"/>

17\"/>

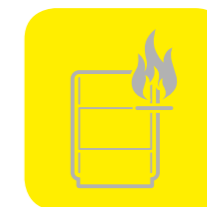

LOGIWORK
Adjustable height (operator-specific) of the tray output for optimizing ergonomics

LOGIREMOTE
Remote access to increase availability

LOGIESD
Constant grounding of the tray to prevent electrostatic discharges

LOGIFIRE
In case of a fire alarm, the current travel order will be completed and the elevator moves to the lowest position

SIX REASONS WHY YOU SHOULD CHOOSE SSI SCHAEFER

- **Security:**

As a financially independent family business we are committed to long-term solutions - you can trust that we will be there for you tomorrow and in the years to come.

- **Efficiency:**

Our solutions are scalable and grow with your needs. Investing in a solution by SSI SCHAEFER you are therefore investing in the future.

- **Quality:**

As a specialist for automation systems, we provide single source solutions of our own production. This guarantees that you will receive perfectly matched high-quality solutions.

- **Reliability:**

Thanks to our world-wide Customer Service & Support network, we are able to ensure flawless operation of your system sustainably.

- **Know-how:**

Our solutions are always up to date with the latest technological standard and can be smoothly integrated into the existing (IT) landscape.

- **Internationality:**

As a globally acting company we are locally available to our customers all over the world and speak their language.
